

NEVADA PINYON-JUNIPER PARTNERSHIP

Dec. 8, 2010

Greetings and Welcome!

Thank you for attending the Nevada Pinyon-Juniper Restoration and Utilization Summit. On behalf of the entire NV PJ Partnership Steering Committee, we welcome you to North Las Vegas. As we keep moving our collaborative energy forward with a targeted Pinyon Juniper demonstration project, we greatly appreciate that you are willing to engage with us to help create an understanding of the need, the obstacles, and the way forward.

This is an exciting time; the moment for action is at hand! Thank you for contributing your focus and energy to this important effort.
